KURVATUR Two dancers challenge the balance point between themselves. Curves, lines, arcs, distances and encounters – everything exists in a winding asymmetric duet with Emilia Wärff and Malin Rönnerman. Danskompaniet Spinn continues to develop the art of dance, putting movement and body in focus in a new production for new locations.

Kurvatur has been presented at Dansens Hus and Historiska Museet in Stockholm, at Världskulturmuseet in Gothenburg as well as in Bremen, Germany and Turku, Finland .
