IMAGINE a dance & stand-up performance
Who is allowed on stage to share their own story? Are some people's stories more important than others? In Imagine there is room for everyone. But how can we manage to fully be ourselves while co-existing with each other? Is the dream of a society where every one is given equal opportunities a utopia?

Four dancers and one musician fill the stage with their own personal stories, thoughts, dreams, fears and movement. In Imagine there are no limits as to how far you can go to feel you're alive.
