## **SKIRTPOWER**

Skirtpower is about the skirt as an ambiguous symbol of our society's view on our bodies. About different codes for masculinity and femininity and expressions of sexuality. That the skirt, throughout history, has been a garment communicating masculinity and power, but how today it's so clearly a feminine garment. Skirtpower is a study on forbidden bodies and movements in skirt, about sexuality and power. And about tenderness.

**DANSKOMPANIET SPINN** is a professional dance company based in Gothenburg, Sweden. We're passionate about the art of dance and about challenging stereotypes regarding what dance is and can be. It's about people with different functions variations and new ways of creating and presenting dance. In our world, everyone is welcome. It's not how many pirouettes you can do, but rather what you want to say with the pirouette you do.
